Oh So Pretty

Axl stared at the swaying Izzy. His friend was clearly drunk. The liquor bottle clasped in one hand kind of gave it away.

"Axl," the dark haired man slurred. "I got somethin' to tell you."

Axl raised an eyebrow. "What?"

Izzy chuckled and grinned. He grabbed hold of a chair to steady himself.

"What you gotta tell me, Izzy?" he demanded.

Izzy's grin widened and he brushed some of the dark, messy hair from his eyes. "I like wearin' women's panties. And bras. They make me feel pretty. Oh so pretty and witty and gay."
